Работи си нормално анкетата ...гласувах успешно...

Не че си дал много опции различни ама айде...

Да не е пък от браузера? Фафе, с какъв браузер успя да гласуваш? Новак, Хепи, Минков, Хануман, Любо - с какъв не успяхте?

Язе с Файърфокс пробвах да туря една анкета на една друга тема и да гласувам там (понеже тука не отива да гласувам) и стана без проблем.

Криптовалутата трябва да бъде готова Иначе по първоначални изчисления някъде между Нова Година и Ивановден.

Ø,

Then it comes to be that the soothing light At the end of your tunnel

С Хрома през телефона...

Но аз понеже ползвам диктовката и затова карам през телефона във форума.

Язе пробвах в другата тема и стана гласуването без проблем.

мисли, че ми е хрумнала на мене да обажда.

Пак със същото Файърфокс. 63.03, Уйндоуз, уж обновено до последно.

За Криптовалутата някой ако има идеи за име дето са по-хубави от тая, дето си

Хепи, я пробвай ктрл+Ф5 (презарежда страницата заедно с кеша) и тогава. Туй за Файърфокс, в Хром може би е шифт+Ф5 или ктрл+шифт+Р (английско Р като в Релоуд, ама ако напиша буквата на латиница анти-викащия скрипт ще направи целия пост със малки букви).

А банки-манки най-сигурно се турят във Файърфокс в отделен профил. Малко сложна процедурата по нагласяне, ама сигурността общо взето няма аналог в друг браузер.

Forex Forum forum.bg - Introduction.

Forex market is high-yield and risky mean of taking profit by operations with the currency rates. Instruments of work at Forex market in many ways determine the result of currency trading made by Forex market participants – brokers' clients. Every Forex broker offers its own terminal, however the most part of brokers and traders concur in choosing MetaTrader 4 and MetaTrader 5 terminals. This forum is created for those who prefer the terminal of MetaTrader series in trading on Forex.

Forex Forum forum.bg - trade discussion.

Forex market forecasts, independent opinions of novice traders and experts of the currency market – all this you will find at the Forex-forum of trades discussion. Solid experience of work on Forex is preferable, but all comers including Forex-newbies may come and share their opinion as well. Mutual help and dialog – the main goal of communication at Forex-forum, devoted to trading.

Forex Forum forum.bg - dialog with brokers and traders (about brokers).

If you have negative or positive experience of work with Forex broker – share it at Forex Forum, related to the questions of Forex service quality. You can leave a comment about your broker telling about advantages or drawbacks of work at Forex with it. The aggregate traders' reviews of brokers constitute a rating. In this rating you can see the leaders and outsiders of the Forex services market.

Free discussions at the Forex Forum forum.bg

You are a trader and want to relax? Then Forex Forum for free discussions is for you. There are no doubts that conversation on subjects close to Forex market is preferential. Here you will find jokes about traders, caricature of Forex brokers and full-rate Forex off top.

Bonuses for communication at Forex Forum forum.bg

This forum is created by traders for traders and is meant for deriving of profit. However, each post at the Forex forum gives its author a forex bonus, which can be used in Forex trading at the account opened with one of the forum's sponsors. This small gift is presented with the aim to reward professional traders for spent time at our forum.

We appreciate your choice of Forex forum mt5.com as a platform for communication.
